Application - Social Studies Standards Advisory Committee

Thank you for applying to join the DC State Board of Education’s Social Studies Standards Advisory Committee.

The purpose of the Advisory Committee is to review the existing social studies standards, consider where they are most in need of revision, and make recommendations on how/where they should be revised based on professional expertise and knowledge, as well as recommendations from the field. The Advisory Committee will help articulate values and essential principles for social studies standards in recommendations it will deliver to the State Board. The Advisory Committee will not be tasked with rewriting the current standards.

In July 2019, the State Board passed SR19-7 that affirmed the revised and updated state social studies standards for the District would be “culturally inclusive and anti-racist, impart important social studies content in the early grades, strengthen student knowledge of democratic principles and values, and promote civic engagement.”

To ensure a balance of perspectives, the State Board will choose committee members who represent a broad constituency. Committee members will include Pre-K–12 teachers and curriculum experts, school district leaders, parents, students, higher education personnel, and experts from organizations in relevant social science fields. The selection committee will strive to ensure membership is representative of the backgrounds of the students and families in the District. Members will be selected based on the following criteria:

Experience

- Able to contribute meaningfully to discussions related to the social sciences (geography, history, civics/government, economics, etc.) either due to first-hand experience as a Pre-K-12, workforce development, or college educator/leader, parent or student; or as a subject matter expert in any of the fields.

Representative

- Demonstrates that they represent a constituency that currently is or will be most impacted by revised and updated social studies standards.
- Identifies ways that they will provide information to and solicit feedback from the constituency they represent and demonstrates a commitment to put in the time to do so.

Commitment

- Committed to attend 80 percent of committee meetings (in-person or virtually, via video or phone).
- Able and willing to do readings as requested and engage in thoughtful reflection to support committee progress and outcomes.
- Able to engage in community outreach activities.

Applications are due by Monday, June 15 at 5 p.m. EST. The Advisory Committee is a multi-year commitment and will run through at least Fall 2021.
***If you need assistance in completing this application form, please alert the State Board of Education at sboe@dc.gov or 202-741-0888 and every effort will be made to accommodate your needs in a reasonable amount of time.***

* Required

1. After you apply, your application will be published online for public review. Before completing this application, please check the box below to indicate you are comfortable with the State Board publishing your application. All contact information will be removed before the application is shared, but your name will be attached. *

   **Mark only one oval.**

   ☐ Yes, I agree, and I would like to continue to the application.
   ☐ No, I do not agree, and I would not like to continue to the application.

2. Full Name *
