Open Meetings Act. The committee shall permit testimony from both the member making the

   (1) Further investigation of the charges is required to determine if a hearing is warranted;
   (2) The matter is to be set for a hearing; or
   (3) No further action should be taken with respect to the request.
(d) If the committee determines no further action should be taken with respect to the request, the
committee shall report that to the State Board at its earliest opportunity. If the committee
determines that further investigation is required, the committee shall conduct an investigation
and report a summary of its proceedings and its findings, along with penalty recommendations,
if any, to the State Board at its earliest opportunity. The penalty recommendations, if any, may
include: (1) Reprimand or (2) Censure.

90 calendar days of the receipt of the request to convene the committee, the matter shall be sent
to the State Board for its consideration.
(f) Upon receipt of the report of the committee, or at the expiration of the time for the committee
to report to the State Board, the President shall place the matter on the State Board's agenda to
determine whether or not a hearing is warranted. If the President decides to set the matter for a
hearing, it shall be scheduled for a hearing no sooner than one week after the determination to
hear the matter. Written notice of the hearing shall be delivered in person to the member of the
State Board who is the subject of the request at least 48 hours in advance of the scheduled
hearing.
(g)(1) The hearing shall be conducted by the President or, if the President is the subject of the
hearing, by the Vice President. At the hearing, the member of the State Board who is the subject
of the request shall be given the opportunity to make an opening and a closing statement, to call
witnesses on his or her behalf, and to question his or her accusers. The member who is the
subject of the request may be represented by a person of the member's choice whether or not the
person is an attorney at law and may have that representative speak or question witnesses on the
member's behalf.
   (2) The questioning or cross-examining of witnesses may be reasonably limited by the
presiding member.

A reprimand shall be directed to a particular member of the State Board based on a particular action or set of actions that is determined to be in violation of the State Board's bylaws, law, or policy, but is considered to be not sufficiently serious to require censure. A reprimand is distinguished from censure in that it is not punishment or discipline and, therefore, does not require an investigation or hearing.

(b) The State Board may adopt a resolution of reprimand in the same manner as provided for the adoption of any resolution; provided, that the State Board member who is the subject of the resolution is permitted to speak in his or her defense prior to action on the motion for adoption of the resolution. The fact that the State Board member who is the subject of a reprimand does not choose to respond to the resolution or does not attend the meeting at which the resolution is to be adopted shall not prevent the State Board from adopting the resolution; provided, that the State Board member had actual notice of the inclusion of the resolution on the agenda and had a reasonable opportunity to attend the meeting.

8.5. Censure.

(a) Censure is a formal statement of the State Board officially disciplining one of its members. It is a punitive action, which serves as a penalty imposed for wrongdoing. Any member on whom censure is imposed shall be immediately removed from all State Board committees on which the censured member serves at the time of the censure. The censure of an officer shall initiate officer removal proceedings as set forth in law. The censured member shall be ineligible to hold any officer position or serve on any State Board committee for the remainder of the calendar year during which censure is imposed. Replacement committee assignments and/or officer positions shall be filled at the next regularly scheduled meeting of the State Board. Censure should be used for cases in which the State Board determines that the violation of law or policy is a serious offense. To protect the overriding principle of freedom of speech, the State Board shall not impose censure on any member for the exercise of his or her First Amendment right, no matter how distasteful the expression of that right was to the State Board and the District. Nothing in this rule shall be construed to prohibit the State Board, as a body, from condemning and expressing its strong disapprobation.

(b)(1) The State Board may, by a 2/3rd vote of State Board members present and voting, adopt a resolution of censure if it finds, based on substantial evidence, that a State Board member took an action that amounts to a gross failure to meet the highest standards of personal and professional conduct.
(2) Substantial evidence is proof that a reasonable person would accept as adequate to support a conclusion or decision in favor of censure.

ARTICLE IX: SELF-EVALUATION AND ANNUAL REVIEW
